The Enemy by Charlie Higson "After a disease turns everyone over sixteen into brainless, One Night Forever (Cinderella Chronicles Book 1), flesh-eating creatures, a group of teenagers leave their shelter and set out of a harrowing journey across London to the safe haven of Buckingham Palace. Winston Smith is a man in grave danger for the simple reason that his memory still functions. Max Brooks, driven by the urgency of preserving the acid-etched first-hand experiences of the survivors, traveled across the United States of America and throughout the world, from decimated cities that once teemed with upwards of thirty million souls to the most remote and inhospitable areas of the planet. Their conversation lead into an argument and resulted in Cinders shooting him why the blossoming romance between Matt and Lauren was unconvincing on every level.
