This is my personal favourite when it comes to newborn photography as its beauty for me lies in the natural and honest portrayal of life with a newborn. Taking a look at the labor and delivery room will help you become familiar with the environment and the hospital staff. Manage relationship stress.

Secure any furniture likely to tip and fall once baby starts to crawl and pull. Turn on Animations. As you transition into your new roles as mom and dad there is going to be some wiggling and adjusting. Wash cloths and baby wipes. EGP also uses affiliate ads to earn from purchases more about Alli.
