David J. Hess, Science Studies an Advanced Introduction - PhilPapers

Science has become an integral part of many issues of public concern—medical, informational, and environmental, to name a few. Scientific experts frequently.

Science Studies: An Advanced Introduction by David J. Hess

Thrust into the public eye by the contentious "Science Wars"--played out most recently by physicist Alan Sokal's hoax--the nascent field of science studies takes .

The Center for Open Science

In the process of bringing disparate fields together under one tent, David J. Hess realizes the full promise of science studies, long uncomfortably squeezed into traditional disciplines. His survey is up-to-date and includes recent developments in philosophy, sociology.

Science Studies: An Advanced Introduction by David J. Hess
