The website lists the timetable which is very accurate for both detail and timing. This meant that Valstagna had to be faithful to the latter in the defence of its borders and also meant that villagers had to sustain the Venetian supremacy through the supply of coal and wood. We were bused back to Piazzelle Roma, which was a bit out of the way and it took us some time to find our way back to our apartment. Tours from Il Burchiello tend to sell out - travelers recommend booking in advance to Venice with free car parking.
