Rewriting in contemporary style familiar stories from 11th and 15th centuries Arthurian manuscripts. She is a ruler in her own right and the successor to the Pendragon title instead of Artorius Arthur.

These are situations Grace must face, as she awakens a prophecy to change a plan. Discover the legend of Arthur like never. A life for a life, he says. He's certain he isn't going to be able to return to his home, and anger and the need for revenge are his constant companions. Thanks for telling us about the problem. He is of a race known to humans only in myths and legends. This review is based on a complimentary copy from the author which was provided for an honest review.
