There are several grand sights to be seen inside the fort itself apart from the commanding views that can be seen of the environs of Chittorgarh. The doors directly to the north lead to an empty conference room. The museum is located in two magazines used for storage of ammunition by the British during World War II, and display ViewDetails. Adjusted more MS and item names for the English version. Enter the elevator and go down to the first floor to exit the building. Continue CW along the ledge.
