Highly recommend! The writing is outstanding and the storyline is interesting. If you have not read Taming the Wolf, it might be a better place to start so you know the background of the series.

Nelson also writes another series, The Gwen Sparks series and I will definitely review Digital Photography. I loved how close they got and how much they truly began to care about each other, and Liam turned out to be much more than just a hot guy with a chip on his shoulder.

When you read this you are entering a new and different world. As for Nora, I am not a fan so I want even speak about. The world seemed to flicker, and then all of a sudden I wasn't by Dead Man's Creek anymore.
