We use cookies to ensure the best user experience at FictionDB. Some music games like Rockband use instruments and microphones, while others like Rocksmith teach you how to play your own instrument with a special adapter cable. There's replay value to be found in the desire to get the highest possible score. Skip to main content. Some of the levels felt a little short, ending just when it felt like they were hitting their stride, and I would love to see some kind of "endless" mode in the The Sayonara Heart that just loops the gameplay and music for stages and wouldn't be at all surprised if this is already planned. Jun 25, TheA. It's hard to compare it to anything, simply because it's a whole different animal than any of its contemporaries. Facebook Twitter YouTube.
