Praise for the book. Popular Psychology. I actually am a therapist and I have an interesting story that I thought I'd share.

Overall, a beautifully written book that should be a real asset to the counselor. If you happen to be a gifted person, probably only another gifted person will be able to lift you beyond. The therapist should teach this to the client from the start. The Book of Enoch by Enoch Paperback Our technical director is Cayce Means. The student could just as easily have [Page] been a client of any other model whether from the humanistic, psychodynamic or behavioural schools.
