User Ratings. One of the most watched televised sporting events of all time, no tennis match before or since has been seen by so. Just about every possible aspect of the contest became the subject of betting, including how many sets the winner would lose and how many games the loser would win. Tennis entered the Open Era in as pros were allowed to compete along with amateurs. Points are awarded to a player or team whenever the opponent fails... Great story, great cast, relevant themes.

RT extra tv: Talk about inspiring women! How unseriously should this match be taken? The editing also deserves a shout out for some wonderful pacing and really effectively switching between the grainy, 70s like cinematography and more clear cinematography.
