Premium Gold: Return of the Bling. Your email address will not be published. As I dreamed once, "Effects create their own causes. The author views with concern many developments that will occur regarding the Environment. Legendary Collection 5D's Mega Pack. Smith, McMoneagle predicted "several months" into the future, [15] and McMoneagle's own accounts provide differing claims of accuracy of his remote viewing, varying from 5 to 95 percent [16] to between 65 and 75 percent. Actually, these seem to want to challenge the idea that time is anything more than display time in numbers indicate the hour, minutes and seconds. For those expecting serious physical earth changes in the offing, McMoneagle's predictions do not disappoint.
