If you know breast feeding is not for you, this is a good book to share with family and friends who may not understand your choices. If you're lucky, you have time off work.

Sometimes it seems as if all they want is "permission" to stop trying. Feeding has become an obsession for new moms mostly because it's become a trendy topic of conversation. I was far from fearless, but I put on a brave face for the women who followed my blog.

Institutions can purchase ready-to-feed formula in containers that can be used for 18 months. In 2008, Andrea rated it really liked it. She and her husband were featured on two award-winning online reality series for Pampers.
