There' s something about discussing human sexuality with children that creates fear in even the most stout- hearted parent. D-E, Creativeintimacyistheintimacyofsharedcreativity. That by itself enhances their closeness. If we are not aware of our own expectations and how they are affected by our historythere is no hope of expressing them to a partner so that he or she has a shot at meeting. This usually turns out to be an experience with a dramatic--literally and figuratively--emotional impact.
