Never miss a great news story! These needs are natural and quite human in that we all crave them, but when unacceptable or problematic behavior has been rewarded in the past in fulfillment of these needs, difficult behavior motivates the individual. Reusethecontent. You can learn to work together with difficult persons only when you understand why they act in a certain way. For example, when a coworker becomes angry at something you have said, instead of expressing the feeling in productive communication he may suddenly request sick leave for the rest of the day. But if someone is already upset, avoid touch, as it might be misinterpreted. If you are stuck working alongside someone who makes life miserable on a daily basis despite your best efforts to cope

with the situation, it's decision time.
